6. Enter in your **License number** and **Activation code** on the **Product Activation Code** page. You can copy and paste the License number and Activation code that we provided to you in the "Mastercam Software License Delivery" email.

7. Click **Next**. The Activation Wizard then checks your computer to see if it is connected to the Internet.
8. The **Verify License Information** page displays the list of products that will be activated during this session. If the products are incorrect, please contact us immediately.
9. If the products listed are correct, select the checkbox to accept the terms, and click **Next**.
10. The Activation Wizard begins the activation process. Upon successful activation, you may begin using Mastercam.
